## Language Preparation

Most of our three-year courses are taught in the local language (Italian in Milan, Rome, Turin, Cagliari; Spanish in Madrid, Barcelona; Portuguese in São Paulo). Exceptions are made for all the three-year courses taught in English. All international students must meet the IED language requirements and submit a "certificate of course completion" from a language school. Those students who hold an Italian, Spanish, Portuguese or English College diploma can submit this diploma as confirmation of their language skills.

### IED ITALIAN/SPANISH/ PORTUGUESE LANGUAGE ENTRANCE REQUIREMENT

In order to be eligible for the compulsory Italian language course.

- Far-Eastern students: 700 hours.
- European and English speaking students: 320 hours.
- Italian, Spanish and Portuguese speaking students: 160 hours. On request, these students may avoid the language prerequisite course submitting a certificate from a language school testifying the attendance to an Italian/Spanish course of at least 160 hours.
- All other foreign students: 320 hours.

## Italian/Spanish/ Portuguese Language Course

Immediately prior to entrance, international students enrolled in three-year courses in the Italian or Spanish language are required to attend a compulsory Italian/Spanish language course.

### COMPULSORY COURSE PROGRAMME

Students also attend a preparatory class in Italian/Spanish art and culture to achieve more advanced language skills and the ability to understand design subjects.

- Period A: September 2010, for all participating students.
- Period B: October 2010 - April 2011, only for students who fail the examination at the end of Period A.

Students must sit an entrance exam to appraise their language skills. Students will be divided into groups according to their skills and will receive documents detailing the course schedule.
